IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF TEXAS TEXARKANA DIVISION

ANTOR MEDIA CORPORATION **§** § § § PLAINTIFF, VS. § § SAMSUNG TELECOMMUNICATIONS CIVIL ACTION NO. 5:06-CV-239-DF LLP, 8888888 and SONY ERICSSON MOBILE **COMMUNICATIONS INC., DEFENDANTS.**

SAMSUNG TELECOMMUNICATIONS AMERICA'S LLP'S UNOPPOSED MOTION TO SEVER AND TO STAY PENDING REEXAMINATION

Defendant Samsung Telecommunications America LLP ("STA") moves for a stay of this action pending a final decision by the United States Patent and Trademark Office ("PTO") on the ex parte reexamination of the patent-in-suit, U.S. Patent No. 5,734,961 ("the '961 Patent"). In return for this stay, STA will execute the stipulation approved by this Court as a condition for staying the Nokia action, Antor Media Corp. v. Nokia et al., Case No. 2:05-CV-186-DF ("Antor II"). [See Exh. A] Because co-defendant Sony Ericsson Mobile Communications Inc. ("Sony Ericsson") does not agree to a stay conditioned on this stipulation, STA further seeks a severance from Sony Ericsson in this matter so that Plaintiff Antor Media Corporation's claims may be stayed as to STA only. Antor does not oppose either STA's request for a stay or STA's request for severance.

SIGNED this 2nd day of April, 2007.

DAVID FOLSOM UNITED STATES DISTRICT JUDGE
